

2010 CPN STAR AWARD

FOR PROJECTS COMPLETED BY DECEMBER 31, 2009

The CPN Star Award represents a symbol of excellence, and someone or something designated a star are thought to be pre-eminent. The award program is to recognize and promote professionalism and excellence in “star quality” projects.

CRITERIA

Award nominations are open to all CPN members. **Keep in mind there are two categories for 2010 – one category for *projects under \$10 million* and one category for *projects over \$10 million*.** The award committee will evaluate each project and will consider the following:

- | | |
|------------------------|------------------------------|
| ❖ Project's Outcome | ❖ Innovation and Creativity |
| ❖ Safety | ❖ Overall Project Management |
| ❖ Cost Management | ❖ Quality Management |
| ❖ Project Complexity | ❖ Schedule Management |
| ❖ Owner's Satisfaction | ❖ Cooperative Team Effort |

The CPN award committee will acknowledge completed projects that meet the following criteria:

- The project must be located in North Carolina and substantially completed (have Certificate of Occupancy) by December 31, 2009.
- The project must be unique in its concept and successful in its completion schedule, within budget and of the desired “star” quality.
- At least two (2) CPN members must have played a significant role in the areas of planning, financing, design, management or construction. More than 2 members are desirable.
- The project must stand out from others being considered; it must have “**star quality**”.

Please provide the following information when submitting your nomination:

- 2010 CPN Star Award Nomination Form (8 Copies).
- Letter from **each CPN member** involved in project, stating what role they played.
- Letter from the Owner or end user describing why the project was a success and their overall satisfaction.
- Detailed pictures of the completed project and CD with pictures in digital form.

All entries must be submitted no later than
Monday, February 1, 2010 by 4PM to:
